12 TO TRADES – 6 WEEK COURSE

Regina Trades & Skills Centre offers a 12 to Trades employment program. The program is designed for recent high school graduates that are looking for a start towards a career in the trades. The choice is yours regarding which trade you want to get in to. We provide safety training, workplace readiness and then we place you with a mentor company in that specific area. This is a get your boot in the door opportunity, although there is not trade specific training in the classroom, your base knowledge allows you to learn on the job with high chances of indentureship. There is not cost for the program, wages are paid during the entire program and RTSC secures the work placement/employment opportunity for you.
